**RULE CHANGE FOR SHOCKS**

**3. Shocks--Only non-adjustable stock steel SB-64 series Pro-Formance shocks (AFCO 1564) and AFCO Shock 1664 and Shock Coil Over Kit 20123A will be permitted. One shock only permitted per wheel. The only adjustable device allowed on the shock is the spring adjusting nut.**

Note: Any of the three shocks mentioned above are legal. The new AFCO 1664 must be used with the Shock Coil Over Kit 20123A.

The shocks can be purchased at any AFCO dealer.
